2. The flow diagram for the process of counselling and schedule dates for all the programmes are represented below:
3. Dates for Phase II counselling and sliding option for Phase 1 counselling will be updated in the JEE website.

Registration and Web options for Counselling

Note:

- * Seat will be allotted in both the session 1 and 2 for the candidates who applied for both the programmes. However, student need to pay only for one programme based on their final choice after seat allotment. Once fees paid no change in the programme will be entertained.

PROCEDURE/MAJOR STEPS IN ONLINE COUNSELLING & SLIDING
FOR NIPER JEE-2023

→ PREPARATION OF MERIT

- Final merit list for various programmes is displayed in the NIPER JEE website.
- All the candidates who appeared in the NIPER JEE 2023 and are participating in Web Counselling will be required to submit an Affidavit on Rs.10 Non-Judicial Stamp Paper that they will submit the relevant document(s) related to the category claimed before counselling. Those who fail in doing so, will not be allowed to participate in the web counselling.
- RANK card for the Master's programme may be downloaded from the NIPER website.

→ ONLINE WEB COUNSELLING

- Candidates found eligible for counselling will be given the option for registration with OTP authentication through email and/or SMS on the registered mail ID/Mobile No from the scheduled dates mentioned in point number 6.
- Candidate should visit the website <https://niperguwahati.ac.in/> and can log in by using the credentials.
- Separate registration is required for candidates who applied for Masters and iPGPhD programme.
- There will not be any registration fee for attending the web counselling.
- Candidate may choose their preferred Course and the NIPER from the drop-down menu one by one. Candidates must ensure that all the eligibility conditions, as specified in the NIPER JEE 2023 Information Brochure available on the NIPER website <https://niperguwahati.ac.in/> are fulfilled.
- **Opting for Web options will be permitted only one time.** For subsequent rounds of counselling, allotment will be done on the basis of web options opted.
- Only those course(s) will be displayed for which the candidate is eligible and course (s) offered by the respective NIPERs. For PhD, the specialisation opted at the time of online application will be displayed.
- Candidate should opt for the maximum number of choices by giving utmost importance to the preference/order/serial number of his/her choices, as these will be important criteria for seat allotment.
- Candidates MUST “submit” their choices on/before the last day of choice filling. Candidates are **NOT** allowed to edit their choice list after the deadline i.e., **9th August 2023**.

→ SEAT ALLOTMENT AND SLIDING

- The allotment of masters and iPhD seats based on the candidate's choices, merit, qualification, domicile, category, and seat availability by following the reservation policy. Seat allotment for PhD programmes is purely based on merit, choice, qualification, and availability of the seat in respective NIPERs.

- Candidate will be allowed to download his/her provisional allotment letter mentioning the Course/Institute allotted to him/her only after depositing the requisite fee through the payment gateway. Candidates will also be informed through SMS and email.
- All the candidates who have been allotted a seat for the first time in any round of allotment will be mandatorily required to pay the requisite fee within the prescribed date and time, failing which their allotment will be cancelled. The fee structure can be found in the respective information brochure.
- If the candidate opted for “Sliding” while reporting but does not want to continue with it, then he/she will be able to do so through his/her individual login at his/her convenience at home.
- If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her.
- If the candidate gets a better choice and chooses to avail of that seat, then his/her initially allotted seat will stand CANCELLED, and the candidate will have to accept the “**Sliding**” seat. In NO case, such “Sliding” candidates will be allowed to retain the initially allotted seat. Therefore, the candidate must be cautious in exercising the request for “Sliding”.
- The “Sliding” candidates need not pay the fee again.
- The option of “Sliding” will be permissible only during the first and second rounds.
- Subsequent rounds of allotments will be conducted for candidates who have not been allotted any seat in the earlier rounds.
- Upon reporting at the allotted NIPER, the candidate must produce all the relevant original documents to the officials for verification. NIPER may refuse admission if the listed documents are not found in order **before the commencement of first-term examinations** or the candidate is found ineligible for admission. NIPER-G will not be a part of any such decision taken by respective NIPERs.
