Three-Day Good Laboratory Practices Workshop: From Lab to Compliance

NIPER Guwahati: National Institute of Pharmaceutical Education & Research (NIPER)-Guwahati is the fifth Institute to be included in the list of the premier institutes under the Department of Pharmaceuticals, Ministry of Chemicals and Fertilizers, Government of India. The establishment of NIPER-Guwahati has strongly boosted the promotion of pharmaceutical education and research in the North-East region of India. The Government of India declared NIPER as an 'Institute of National Importance'.

About the workshop: GLP embodies the principles of quality and compliance in laboratory settings. This workshop will provide a practical introduction to GLP, focusing on translating laboratory work into compliant processes through expert-led sessions and interactive discussions.

Objectives of the Workshop:

1. Understand core GLP principles and regulatory requirements
2. Apply GLP principles in laboratory practice
3. Improve documentation, SOPs, and data integrity
4. Strengthen laboratory safety, quality assurance, and compliance
5. Prepare for GLP audits and inspections.
6. Promote reproducible and ethical research practices

List of Expert Speakers:

1. Dr. Ramachandra S.G., IISC, Bengaluru
2. Dr. Jaisankar P, CSIR-IICB, Kolkata
3. Dr. Bikash Medhi, PGIMER, Chandigarh
4. Dr. Hari Rao, Pre-Clinical Expert, NIPER-G
