<b>Warranty:</b> This institute would like to have 01-year comprehensive warranty and 04-years CMC. <b>The duration of warranty will get extended equivalent to the down time-period of the instrument during warranty.</b> The bidders are expected to supply brand new items. In cases where items are procured from third party as an accessory to the main unit the warranty obligation should get extended to this type of components also. In other words, the bidder/supplier will be directly responsible for fulfilling warranty obligations of entire supply. The list of consumable items which are not covered under warranty conditions may please be indicated separately for the information of the institute.	No amendment  The supplier while offering CMC, break-up value for each year should be indicated.

This is for information of all the bidders.
