◊ The candidate must sign on the Attendance Sheet at the appropriate place.

The candidates are governed by all Rules and Regulations of the NIPER JEE 2024 regarding their conduct in the Examination Hall. All cases of **unfair means** will be dealt with as per rules.

## CBT exam will be conducted using iON ONLINE ASSESSMENT PLATFORM

1) **Hall Ticket and Photo Identity proof (original) will be verified at the entrance of examination centre.**

2) **Registration (both thumb impression and photographs) will be captured before entering the examination centre.**

3) The examination link with the login screen will already be available on the candidate's system, if not, please inform the Invigilator immediately.

4) **10 Minutes prior to the exam, the candidate will be prompted to login. Type USER ID (Hall Ticket Number) and Password (Date of Birth (DDMMYYYY)) onto the rough sheet to login and start the exam.**

5) Copying or noting down questions and/or options is not allowed. Strict action will be taken if any candidate is found doing the same.

General Instructions:

i)   The clock will be set on the server. The countdown timer in the top right corner of the screen will display the remaining time available for the candidate to complete the examination. When the timer reaches zero, the examination will end and get submitted automatically. The candidate is not required to end or submit their examination.

ii)   The Question Palette displayed on the right side of the screen will show the status of each question using one of the following symbols:
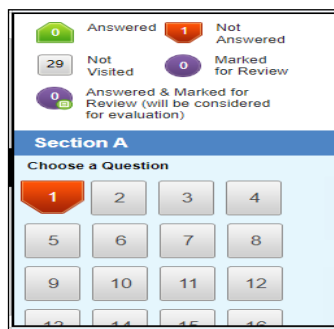

- You have not visited the question yet.
- You have not answered the question.
- You have answered the question.
- You have NOT answered the question but have marked the question for review.
- The question(s) "Answered and Marked for Review" will be considered for evaluation.
- The question(s) "Marked for Review" will not be considered for evaluation. Hence, no marks will be allocated for the same.

iii)   The Marked for Review status for a question simply indicates that you would like to look at that question again. If a question is answered and Marked for Review, the answer for that question will be considered in evaluation.

- The candidate can click on the ">" arrow which appears to the left of question palette to collapse the question palette, thereby maximizing the question window. To view the question palette again, you can click on "<" which appears on the right side of the question window.
- There will be only one language of QP i.e., English.
- You can click on [Scroll Down] to navigate to the bottom and [Scroll Up] to navigate to the top of the question area without scrolling.

iv)   **Navigating to a Question:**

To answer a question, the candidate needs to do the following:

- Click on the question number in the Question Palette at the right of your screen to go to that numbered question directly. Note that using this option does NOT save your answer to the current question.

- Click on Save & Next to save your answer for the current question and then go to the next question.

- Click on Mark for Review & Next to save your answer for the current question, mark it for review, and then go to the next question.

v) **Answering a Question:**

Procedure for answering a multiple-choice type of question:

- To select your answer, click on the button of one of the options.

- To deselect your chosen answer, click on the button of chosen option again or click on Clear Response button.

- To change your chosen answer, click on the button of another option.

- To save your answer, you MUST click on the Save & Next button.

- To mark the question for review, click on the Mark for Review & Next button. If an answer is selected for a question that is marked for Review, that answer will be considered in the evaluation.

- To change your answer to a question that has already been answered, first select that question to answer again and then follow the procedure for answering that type of question.

❖ **Note that ONLY Questions for which answers are saved or marked for review after answering will be considered for evaluation.**

vi) **Navigating through sections:**

- Sections in this question paper are displayed on the top bar of the screen. Questions in a section can be viewed by clicking on the section name. The section you are currently viewing is highlighted.

- After clicking the Save & Next button on the last question for a section, the candidate will automatically be taken to the first question of the next section.

- The candidate can shuffle between tests and questions anytime during the examination at your convenience, only during the stipulated time.

- Candidate can view the corresponding section summary as part of the legend that appears in every section above the question palette.

vii) Total exam duration is **120 minutes for each shift**. Please keep checking the timer on your screen.

Other key instructions:

- **Please don't touch the keyboard as your exam ID will get locked. If your ID gets locked, please inform a nearby invigilator who will help in unlocking your ID and then you can continue with the exam.**
- Use of mobile/cellphones, tablets, iPads, electronic / Bluetooth devices, and pagers during the exam is prohibited.
- Any form of malpractice will not be permitted in the exam room.
- Please inform the Invigilator if you have any technical issues.
- Please do not talk to or disturb other candidates.
- If the candidate carries articles other than the admit card, photo identity proof, and pen, please leave them outside the exam room.
- Invigilators will provide rough sheets.
